GET READY FOR A BIG DAY.

There's plenty to do on our little mountain and loads for your school kids to learn.

We're Melbourne's closest alpine resort, located just two hours from the CBD so getting here is just a bus trip away.

With over 35km of marked cross country ski trails, our mountain has all bases covered from short, beginner loops for newbies and more challenging terrain for those with more snow experience.

We offer cross country ski lessons for all year levels and abilities. For the older kids, we have an 4-Hour tour package that will get you venturing around the ski trails, perfecting your cross country skills whilst touring around the extraordinary mountain.

If your group are first timers and just wanting to experience the snow, you are also welcome to simply spend your day sliding down the toboggan run and mastering the craft of snowman building.

Take a look at our many packages to choose what best suits your school group.
